Concussion Training (Required for coaches U11 division and older)

Jake Snakenberg Youth Concussion Act requires anyone coaching youth 11-18 years old in an organized sport to complete concussion training. This is a yearly requirement that is a mandate from the State of Colorado. Coaches can complete the on-line training at http://brain101.orcasinc.com/4000/. Once you have completed the online course, please email the certificate to astewart@broomfield.org. If you have completed the training for another sport, please email Aaron the date of your certification. Coaches **will not** receive their rosters unless they have this certification.
