In addition, limited space may be available for employees in fitness classes where they can participate at no cost (Please note: These programs may be full, so call before dropping in.).

For schedules of classes and specific times for the open gym, swimming, and weight room, call the Community Center at 303.464.5501 or the Paul Derda Recreation Center at 303.460.6901.

The batting cages are available to employees at the same cost as non-employees.
