	Hotel	$ 1593.84
	Per Diem	$ 396.00
	Misc. Expenses	$ 85.36
	Total	$2966.39

How this Travel or Training Benefitted the Citizens of Broomfield: The information I was able to learn and bring back is valuable to me in making decisions in county aspects of Broomfield, and helps me in my understanding of how The Affordable Care Act is currently and will need to be implemented in Broomfield. I was also able interact and discuss policy and priorities with many other County Commissioners from Colorado.

While there I served on the NACo Health Steering Committee, which I was reappointed to earlier this year by CCI. As part of the conference I attended the following subcommittee meetings: Behavioral Health, Health Disparities, Health Reform, Medicaid and Indigent Care as well as Public Health and Healthy Communities.

As part of the CCI delegation, I went to the hill to discuss MAP-21 and the CDBG program. CCI's other priorities were PILT Rural Broadband, Waters of the US and the Marketplace Fairness Act.

I also attended the CCI caucus and met County Commissioners from many of our counties and was able to have many conversations about implementing the ACT, Federal transportation policy and many other issues in Colorado.

As always, I am available to answer any questions regarding the conference, and encourage other Council Members to attend next year as well as attend the CCI Summer Conference in June.
