UNFINISHED BUSINESS

Flight Dedication Update

The Mayor and artist Frank Swanson will be attending. Open Space and Trails Committee as well as the Parks and Recreation Advisory Committee have been invited to participate. The committee plans for a very simple event with water and possibly healthy snacks. KC Lancaster has offered to help transport water.

Lantern Parade Update

The Lantern Workshops are a huge success. Thank you to Katy Olmsted and Roxanne Macke for coordinating and organizing the workshops and parade. An online survey will be setup to receive participate feedback and evaluations of the program. Participants can also email council@broomfieldcitycouncil.org.

Unfortunately, Bill McCann hasn't been able to round up any drummers. The committee has decided to use a boom box instead. Katy and Roxanne are requesting that PAC members dress up for the parade. Martha Derda will be greeting the Parade participants and leading the procession.

Next Steps on the Community Mural Project

Carolyn Romero provided a measurement map of the 287 underpass and proposed breaking the project down to three phases. The 287 underpass is large and the project cost would be significant. After discussion, the committee decided to look for alternate locations for a mural site. The committee would prefer to start with a smaller project for their first mural.

PAC members are tasked with proposing alternate sites by the next meeting in order to continue the conversation.
