

Maker-in-Residence

The Gizmo Dojo

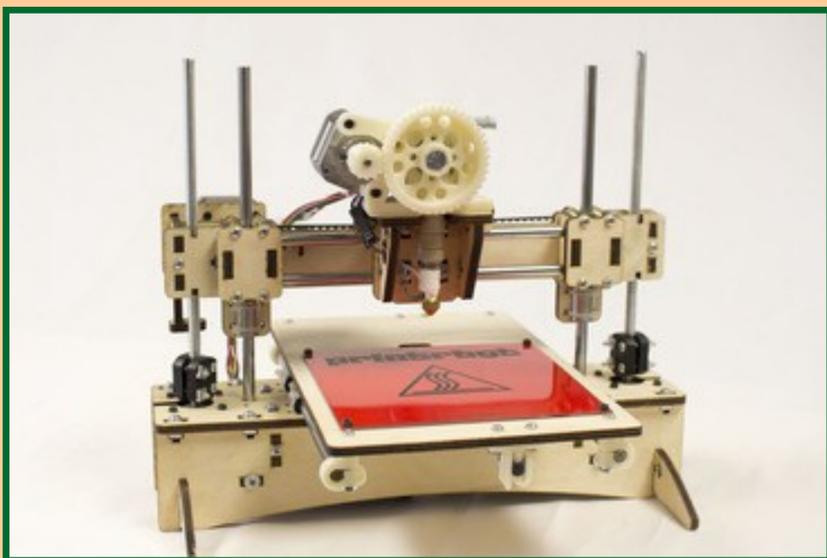

LEARN • CREATE • COLLABORATE

August 2015

Calling all Makers!

The Gizmo Dojo is starting a non-profit makerspace in Broomfield. We will have a 3D printer and a CNC router running that you can come work with (under supervision), and some of our members will be showing off their projects.

Our projects incorporate arts and technology and many other disciplines: from weaving to autonomous vehicles, blinky lights to chain-maille and many others. Come join us!

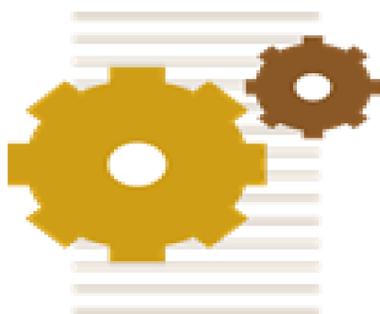

Stop in and explore
3D printing and
CNC routers!

Sunday, August 2 1- 4:30 pm

Sunday, August 9 1- 4:30 pm

Sunday, August 16 1- 4:30 pm
