Discover Tech: Water Filtration

Sessions for ages 9-14! Registration opens November 20.
Registration is required. Sign up at the Teen Zone Desk or call 720.887.2360.

Filter This!

December 1

Explore hands-on stations of the Discover Tech Exhibit, ending with the ball contraption to design a water filter.

What's in Your Water?

December 3

Not all water is the same. Put your taste to the test and explore the characteristics of different types of water.

Clean That Water!

December 8 & 10 (Must attend BOTH dates.)

It's easy to get a glass of water in the U.S. Just get it from the tap! But what about places that don't have easy access to clean water? Experiment like an engineer to build a water filter system in this interactive program.
