

## UPCOMING ROAD CONSTRUCTION WILL CLOSE 119TH PLACE AT UPHAM STREET

Starting Wednesday, February 24, the intersection of Upham Street and 119th Place will close to begin new roadway construction. Areas impacted include 119th Place at Vance, eastbound through the intersection of 119th Place and Upham Street. North/south boundaries include south of the intersection of Upham Street and 120th Avenue, through the intersection of Upham Street and 119th Place. Travelers should access the area via Teller Street on the eastern edge of the project and Vance Street to access Consolidated Hardwoods from the west. Posted signage and flaggers will guide travelers.

All work is weather dependent. This closure is anticipated to remain in effect until completion of 119th Place construction in late Spring 2016.
