

## Homeschoolers

[Home Schooling in Colorado](#) - Here you'll find a copy of Colorado Home School Law, how to get started home schooling your child, and a resources link to home school organizations that provide information on networking, support groups, curricula and testing.

[Christian Home Educators of Colorado](#) - Support resources for Christian based homeschoolers. It includes events, legal information, support groups and curriculum resources.

[The Best Children's Books.org](#) - Find great kids book, sorted by theme and reading level. This site was created by teachers, but parents will find lots of helpful lists too. Teaching subtraction? We've got a list for that. Looking for a story about courage? Yep, we've got a list for that too. Got a student who doesn't like reading, but absolutely LOVES dinosaurs? Check out our lists of the very best dinosaur books. We literally have hundreds of topical book lists - some on educational topics, others just fun lists.
