

## *Broomfield City Council Training and Travel Report*

Elected Official Name: Kevin Kreeger

Date of Travel or Training: June 6-8, 2016

Description of Travel or Training: Colorado Counties Inc (CCI) annual summer conference

Total Amount Expended: \$793.12  
(Including airfare, hotel, registration, and **all** other reimbursements)

How this Travel or Training Benefited the Citizens of Broomfield:

This training and conference benefited Citizens of Broomfield because I learned about topics that directly impact Broomfield and are directly relevant to decisions Broomfield's city council will make. The training will help me ensure I am making informed, intelligent decisions on behalf of Broomfield residents.

Presentations I attended, topics I learned about, and other beneficial activities include:

1. A walking tour of an urban renewal area, with explanation of things such as financing, planning and intended benefits.
2. Discussions with commissioners and staff from many other counties on issues that included transportation, affordable housing, taxing districts, urban renewal authorities.
3. Workshop on our aging population, including special needs and several metrics.
4. Workshop on Urban Renewal Partnerships.
5. Detailed discussion and Q&A with an attorney specializing in urban renewal and the new legislation passed in the 2016 Colorado legislative session.
6. CHSDA workshop on human trafficking prevention.
7. CCI business meetings.
8. Workshop on marijuana impacts.
9. CCI district meeting for the Front Range District.

I learned new information, gained valuable insights, and collected many helpful opinions.
