Pathways to Parenting

Middle School Resiliency: A Workshop for Parents and Students Bring your middle schooler and support their success as they learn effective strategies to increase their resiliency. Monday—January 23; 6:00-7:30 p.m.

Registration recommended, but not required. For parents and

Staff Pick

Jen's Pick:
Three Dark Crowns
By Kendare Blake

YA Blake
On the island of Fennbirn, a set of triplets is born

every generation. Three triplet queens possess coveted magic: Mirabella is an elemental; Katharine, a poisoner; and Arsinoe, a naturalist. On the night the sisters turn 16, they must begin a battle against each other. The last queen standing wins and becomes Queen Crowned . . . but everything is not as it seems in this game of lives.

Teen Programs Continued

Teen Science Programs

❖ **Hour of Code** Experiment with web design. The Science Task Force will be your guide! **For ages 9-14.**
Saturday—December 3; 2:00-4:00 p.m.

❖ Sponsored by the Science Task Force.

Other Library Programs

Portal to the Public: Meet a CU Scientist Come talk one-on-one with CU scientists representing the latest research in biotechnology, cancer prevention, geology, hydrology, climate science, and engineering. They will share their expertise through demonstrations, displays, and models. **For ALL ages. Registration REQUIRED; call 720.887.2350.**
Sunday—December 4; 2:00-4:00 p.m.

Discovery Lab

stay curious & ask why
mamie doud eisenhower public library, broomfield co

Check out our Makerspace! The Discovery Lab is a place to explore STEAM (Science, Technology, Engineering, Art, and Math) topics. Take a look at our classes below for dates, times, and age info. For sessions that require registration, register at the Teen Zone Desk, 720.887.2360, OR visit www.broomfield.org/libraryteenevents.

December

Maker-in-Residence: Aura Liesveld

The library is proud to host Aura Liesveld, eco artist and founder of Eco Art Creators. Aura creates breathtaking works of art out of recycled materials—anything and everything can be repurposed and transformed into a work of art. Come learn about her unique perspective and what types of materials you could use to make your own recyclable “eco” art! **For ALL ages. Registration NOT required.**

Monday—December 19; 2:30-5:30 p.m. Aluminum Can Wind Chimes
Tuesday—December 20; 1:00-4:00 p.m. Business Card Art
Wednesday—December 21; 12:30-3:30 p.m. CD Designs
Tuesday—December 27; 1:00-4:00 p.m. Velcro Board Art: Flower Garden
Friday—December 30; 1:00-4:00 p.m. Velcro Board Art: Flower Garden

January

National History Day Studio

Open lab with green screen, iPads, and more for National History Day prep. **For grades 6-12 (only for students working on a National History Day project).** **Registration REQUIRED.**
Tuesdays & Thursdays—January 17, 19, 24, & 26; 4:00-5:00 p.m.

Take & Bake Mugs Drop-In

Get creative and personalize a mug with Sharpies. Take it home, bake it, and add it to your mug collection! **For ages 15+. Registration NOT required, but recommended.**
Wednesday—January 11; 5:00-6:00 p.m.

February

Kid Code It!

Bring your parent or favorite adult so both of you can learn the basics of HTML, CSS, and JavaScript to become proficient in web design. **For ages 9-14 plus parent (one parent and child set per registration). MUST attend ALL 8 classes in session! Registration REQUIRED.**
Tuesdays & Thursdays—February 2, 7, 9, 14, 16, 21, 23, & 28; 5:30-6:30 p.m.

Fix 'n Mix Hot Cocoa Drop-In

Craving hot chocolate? Make your own hot cocoa mix in this fun drop-in workshop. Perfect to give as a gift . . . or to add to your own personal stash! **For ages 15+. Registration NOT required, but recommended.**
Wednesday—February 8; 5:00-6:00 p.m.

TAB

Teen Advisory Board (TAB) members are teens in grades 6-12 who volunteer two hours a month to help us make the library a teen-friendly place. They share their opinions and ideas about library-sponsored teen events at TAB meetings and help to create this newsletter.

Right: TAB members at the October 21, 2016 Murder Mystery Dinner Theater.

Below: TAB member responses to the question “What do you most look forward to in school?”

mBerries (Aaron)

Band (Caitlin)

Theater (Lyric)

Volleyball (Adrienne)

Film Class (Gabrielle)

Nothing, nothing at all (Makayla)

Da Memes (Andrew)

Choir (George)

Art Class (Sam)

Orchestra (Anoushka)

Psychology (Kass)

Want to explore Discovery Lab activities on your own?
It's always open when there's not a scheduled session.
