How this Travel or Training Denefitted the Citizens of Dreamfield

How this Travel or Training Benefitted the Citizens of Broomfield:

This lunch and learn was about the Do's and Don'ts of Quasi-Judicial proceedings. The presentation provided the participants with an understanding of responsibilities in quasi-judicial hearings. In addition, it introduced us to the liabilities associated with errors in the conduct of such hearings, and provided legal and practical suggestions for conducting such hearings.

As a newly elected official, this presentation was extremely beneficial to understanding such proceedings. The residents of Broomfield will benefit by having such proceedings conducted in a legal and appropriate manner.
