Broomfield Police Department is asking for assistance in providing information pertaining to a series of burglaries that have occurred over the past few weeks.

The most recent of these incidents occurred today at approximately 11:50 a.m. Officers responded to a burglary in progress in the 4100 Block of Red Deer Trail. An adult female resident was found by a neighbor in the front of her home with her hands tied in front of her. The neighbor called 9-1-1.

The woman had returned home with her two children where she discovered that her home was being burglarized by two adult black males. The two men took her and her two children upstairs in the house, tied the woman up and closed the three of them in the closet. No weapons were observed. No serious injuries incurred.

The suspects are two adult black males, wearing dark colored hooded sweatshirts, dark pants, and heavy fabric black gloves. One man is described as being of a thin build with sagging pants; the other suspect is described as having a stocky build and facial hair "goatee". No vehicles were seen being driven by the suspects although police believe that they probably left in a vehicle due to the amount of items they were carrying.
