June 2014 Sessions for ages 9-18!

SUMMER HOURS: 2:00-4:00 p.m. in the Discovery Lab (1st floor of the library).

Drop in to participate in activities! No registration required (unless otherwise noted)!

Want to explore other Discovery lab activities on your own? It's always open when there's not a scheduled session.

<u>Dates</u>		<u>Topic</u>		<u>Activity</u>
	Tuesday, 6/10 & Thursday, 6/12	Movie Special Effects		Challenge your movie making skills with special effects and stop motion animation iPad apps.
Tuesday, 6/17 & Thursday, 6/19 (registration required)		Bike Maintenance		Bring your bike! A Bike Depot expert will show you how to fix a flat, tune your bike, and adjust your breaks and gears.
Tuesday, 6/24 & Thursday, 6/26			Astronomy	Make a solar system that you can carry in your pocket! Use cookies to identify phases of the moon.
