

# Discovery Lab

stay curious & ask why  
mamie doud eisenhower public library, broomfield co

## September 2014

### Sessions for ages 9-18!

Drop in from 4-5 p.m. on **Tuesdays or Thursdays.**

Explore concepts in science, math, and art.

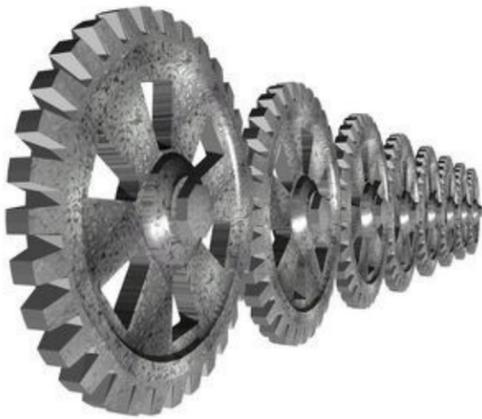

No registration required (unless otherwise noted)!

Tuesday 9/9 & Thursday 9/11

### What's Inside

Take apart various electronics to discover what makes them tick.

Tuesday 9/16 & Thursday 9/18

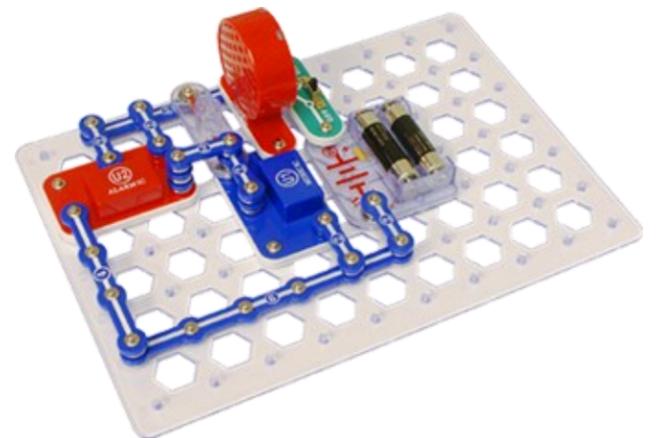

### Basic Motors

Make your very own walking robot using an electric toothbrush motor! Then, use it to make works of art.

Tuesday 9/23 & Thursday 9/25

### Snap Circuits

Create working electronic circuits that snap together and decorate a greeting card that lights up.

Tuesdays 9/30 & 10/7

### Rockets

Build and Launch your own model rocket.

\*registration required, must attend both Tuesdays

Want to explore other Discovery lab activities on your own?

It's always open when there's not a scheduled session.
