

# Discovery Lab

stay curious & ask why  
mamie doud eisenhower public library, broomfield co

## November 2014

### Sessions for ages 9-18!

Drop in anytime between 4 - 5 p.m. on **Tuesdays or Thursdays.**

Explore concepts in science, math, and art.

No registration required (unless otherwise noted)!\*

**Tuesday 11/4 & Thursday 11/6**

## SparkFun

Put your soldering skills to use! Build a critter with eyes that light up.

**\*This session requires registration.**

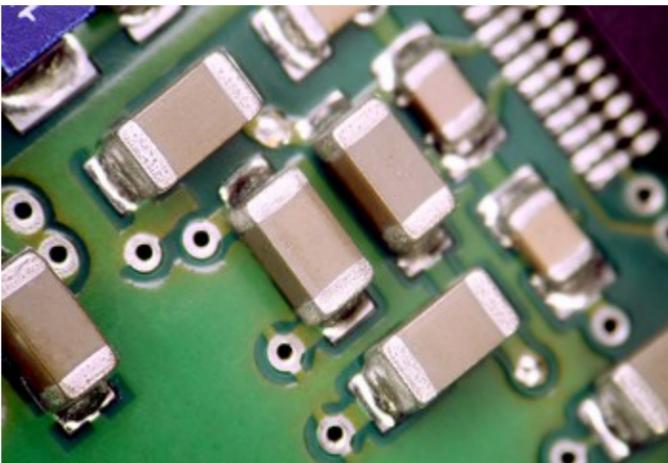

**Must have attended Soldering 101.**

**Thursday 11/13 & Tuesday 11/18**

## Fun with Arduino

Bring your working knowledge of Arduino and try your hand at building circuits and uploading programs using the SparkFun Inventor's Kit.

**Thursday 11/20 & Tuesday 11/25**

## Make Something!

Combine your knowledge and creativity to invent something functional or artistic using a collection of electronic parts.

**Want to explore other Discovery lab activities on your own?**

**It's always open when there's not a scheduled session.**
